

## **MESSAGE**

On behalf of the School Management, It gives me immense pleasure to extend my best wishes to each one of you on the occasion of Teachers' Day.

It is rightly said- ***'A good teacher is like a candle- it consumes itself to light the way for others'***.

It is the supreme art of a teacher to awaken joy in creative expression and knowledge. As a teacher, you are the most important part of a student's life. It is only you who can inspire curiosity and spark the desire for knowledge in students. It goes without saying that each one of you have exemplified this by adapting so well to the transition, from classroom teaching to remote learning and embracing technology effortlessly in order to impart quality education to our students. In these unprecedented and challenging times we truly recognize and appreciate your ingenuity, creativity, sensitivity and commitment displayed by you in shaping the lives of the children.

I wish to take this opportunity to express my gratitude for your invaluable contribution in taking this temple of knowledge towards great heights. I would also like to thank you for rising to the occasion and exhibiting great perseverance and resilience by meeting the needs of our children in these challenging times.

Once again a very Happy Teachers' Day. Keep up the great work and continue to nurture the architects of the future.

***God Bless All.***
