

NEWSLETTER FOR THE MONTH OF FEBRUARY 2023-24

CBSE SCIENCE EXHIBITION- The prestigious CBSE National Science Exhibition 2023 was hosted by Mayoor School, Noida from February 1st to 3rd, 2024. The mega event provided a humongous platform to young ignited minds to showcase their ingenuity and creativity. It featured 313 participating teams from across India who had been shortlisted at the regional level. Sh. Sanjay Kumar, Secretary, Department of School Education & Literacy, Ministry of Education, Government of India; Ms. Nidhi Chibber, Chairperson, CBSE; Dr. Joseph Emmanuel, Director, Academics, CBSE; Dr. Sanyam Bhardwaj, Controller of Examinations, CBSE, Dr. Sarvesh Naidu, Chairperson, Collaboration Committee, Mayo College General Council, Ajmer and a galaxy of Heads of esteemed institution of Delhi NCR graced the occasion with their presence. Based on the theme, "Science and Technology for Society," the exhibition demonstrated the scientific prowess of over 600 emerging innovators. These budding talents presented their novel ideas through exhibits, projects, and presentations on five sub-themes: Agriculture, Communication and Transport, Computational Thinking, Health, and Life. A distinguished panel of judges, assessed the exhibits and accomplished the prodigious task of identifying the winners. Our students, Pushkar Singh and Harshit Pathak of class IX of Vishwa Bharati Public School, Greater Noida were selected from among 42 Schools in CBSE Regional level Science Exhibition to present their exhibits in Computational Thinking. They made a Home Cube using which one can control all home equipments remotely. Students from classes VI-XI also visited the prestigious event along with their teachers

EVACUATION AND FIRE DRILL-A Fire Safety Workshop was conducted on 7th February 2024. The purpose of the workshop was to educate students and staff about fire prevention, emergency procedures, and general safety measures. The workshop was led by fire safety officials, Mr Sunil Tyagi and Mr. Inder Pal Singh, who provided knowledge and practical skills to fight a fire in the event of a fire emergency. The workshop commenced with a comprehensive presentation highlighting the common causes of fire, fire prevention tips, and the importance of having functioning smoke detectors and fire extinguishers. Fire drills were conducted to familiarize participants with evacuation routes, assembly points, and designated responsibilities in the event of a fire outbreak.

Teachers and students were given the opportunity to practise using fire extinguishers in a controlled environment, reinforcing the importance of remaining calm and following established protocols during emergencies. Stress was laid on the importance of knowing multiple evacuation routes and practising evacuation procedures regularly to ensure swift and safe evacuation.

HYGIENE WORKSHOP FOR GIRLS- On February 7th, 2024, Vishwa Bharati Public School organized a Puberty education workshop with Right Side Story & Whisper, P&G India, for girls of grades V to XI. The workshop aimed to provide these young girls with a comprehensive understanding of the changes their bodies undergo during puberty. Ms. Aprajita, the resource person, expertly guided our girls and addressed all their questions. Additionally, after the workshop, sanitary napkins were distributed to the students, ensuring they have access to necessary hygiene

products. This initiative highlights a significant step towards equipping young girls with vital knowledge and resources for their health and well-being.

FAREWELL TO CLASS XII- The farewell of class XII, was an amalgamation of speeches, songs, dance and best wishes. Students of class XI bade farewell to Class XII on 10th February 2024. The gracious moment began with the Tilak ceremony of the senior Vishwa Bharatians followed by the traditional Hawan and lamp-lighting ceremony. The prayer was followed by presentation of mementoes. The emotional speeches by the Head girl, Sanyogita Raj, Garv Rajpoot and Sanika Amle moved the hearts of the outgoing class XII. They also elaborated on how their beloved school made them better humans. The highpoint of the event was the most awaited conferring of titles. **Garv Rajpoot** and **Pranshita Sharma** proudly lifted the Mr. & Ms. VBPSGN for their excellent academic track-record and a co-operative and congenial behaviour at all times. **Aditya Narayan** and **Sanika Amle** deservedly stole the Mr. and Ms. Personality with their exemplary behavior and stupendous performance in their studies. And the most coveted title of Mr. & Ms. Well-dressed went to **Vadhuguru Smaran** and **Ananta Varshney**. Students of class XI presented a mesmerizing entertaining programme. The Principal, Ms. Mahendri Devi wished and motivated the students to take up one aim, make it their life, think of it, dream of it, let their dream come true and live that dream through their achievements. The function ended with a succulent lunch with the Principal and teachers.

VASANT PANCHMI CEREMONY- Vishwa Bharati Public School, Greater Noida celebrated Vasant Panchmi on 14th February 2024. A havan was organized to pay offerings to Goddess Saraswati. Hymns were sung and parsad was distributed to everyone present there. The Pre-Primary observed 'Yellow Day', wore yellow clothes, brought yellow food and learned the significance of the colour yellow that signifies happiness and sunshine.

BOARD EXAMINATION BEGINS- Board examinations for classes X & XII began on 16th and 21st February 2024 respectively.

ANNUAL EXAMINATIONS BEGIN- Annual examination commenced for classes I to IX on 20th and class XI on 16th February 2024.

DAY OUT- PRE-PRIMARY WING- An enthralling adventurous trip to Khet Camp was organized to end the session on 29th February 2024. Close to nature, good food, fun activities like pottery, tractor ride and several sport activities were experienced under the supervision of trained instructors. Students engaged in peer bonding, problem solving, team-building, strategizing and other life skills.
