TRIP TO RED FORT- Historical places offer a unique opportunity for students to learn about their cultural heritage, develop critical thinking skills, and promote a sense of pride and patriotism. They also provide an opportunity for experiential learning, physical activity, and outdoor learning. The Red Fort was the main residence of Mughal emperors for nearly 200 years (until 1857). The Red Fort was not only the accommodation for the emperors but also the center for Mughal state politics and for setting events that impacted the region critically. Every year on August the 15th, since India got its independence from British Raj in 1947, Red Fort hosts Independence Day celebrations. The Prime Minister of India hoists the national flag above the Lahore Gate of Red Fort and addresses the nation. Students of classes VII to XI found an opportunity to view firsthand the architecture and artifacts of Mughal monuments as they toured around with wonder and curiosity around the renovated Red Fort on 21 March 2024. This unique experience of visiting the monument has highly enriched the learning experience of the students.

PTM- The results of the Final Examination 2023-24 was declared on 26th March 2024. Report cards were awarded to students in the PTM.

WEBINAR ON BHULNA BHUL JAOGE -The Manthan School, Gr Noida West, organized a captivating webinar "BHULNA BHUL JAOGE" on 28th March 2024. The resource person was Mr. Narendra Singh. The webinar aimed to enlighten participants about memory techniques and memory prowess. Mr. Narendra Singh, acclaimed as the "Memory King," commenced the webinar by introducing various memory enhancement techniques. He shared insights into mnemonic devices, visualization methods, and memory association strategies. He enthralled the audience with live demonstrations of his extraordinary memory abilities by memorizing long sequences of numbers, recalling intricate details from random lists, and performing impressive memory feats. The webinar was attended by Ms. Nisha Shrivastava and Ms. Rashi Singh.
